A county shall have authority, subject to the provisions of Article 57 of Chapter 106 of the General Statutes, to remove, abate, or remedy everything that is dangerous or prejudicial to the public health or safety. Pursuant to this section, a board of commissioners may order the removal of a swimming pool and its appurtenances upon a finding that the swimming pool or its appurtenances is dangerous or prejudicial to public health or safety. The expense of the action shall be paid by the person in default, and, if not paid, shall be a lien upon the land or premises where the nuisance arose, and shall be collected as unpaid taxes. The authority granted by this section may only be exercised upon adequate notice, the right to a hearing, and the right to appeal to the General Court of Justice. Nothing in this section shall be deemed to restrict or repeal the authority of any municipality to abate or remedy health nuisances pursuant to G.S. 160A-174, 160A-193, or any other general or local law. This section shall not affect bona fide farms, but any use of farm property for nonfarm purposes is subject to this section. (1981 (Reg. Sess., 1982), c. 1314, s. 1; 2002-116, s. 2.)

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

## COLOPHON

## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
