

Standards and inspections.

The Secretary of Health and Human Services, in consultation with the Secretary of Public Safety, shall also develop standards under which a local jail may be approved as a holdover facility for not more than five calendar days pending placement in a juvenile detention home which meets State standards, providing the local jail is so arranged that any child placed in the holdover facility cannot converse with, see, or be seen by the adult population of the jail while in the holdover facility. The personnel responsible for the administration of a jail with an approved holdover facility shall provide close supervision of any child placed in the holdover facility for the protection of the child.

FULL SECTION

N.C. Gen. Stat. § 153A-221.1 (2021).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
