The county satellite jail/work release units for misdemeanants shall not be subject to the standards promulgated for local confinement facilities pursuant to G.S. 153A-221. The Secretary of Health and Human Services shall develop and enforce standards for satellite/work release units. The Secretary shall take into consideration that they are to house only screened misdemeanants most of whom are on work release and therefore occupy the premises only in their off-work hours. After consultation with the North Carolina Sheriff's Association, the North Carolina Association of County Commissioners, and the Joint Legislative Commission on Governmental Operations, the Secretary of Health and Human Services shall promulgate standards suitable for these units by January 1, 1988, and shall include these units in the Department's monitoring and inspection responsibilities. Further, the North Carolina Sheriffs' Education and Training Standards Commission shall include appropriate training for Sheriffs and other county law enforcement personnel in regard to the operation, management and guidelines for county work release centers pursuant to its authority under G.S. 17E-4.

FULL SECTION

N.C. Gen. Stat. § 153A-230.4 (1997).

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
