General Statutes of North Carolina, as published by the General Assembly	S.L. 2021-180, s. 19C.9(p) — ninth act in the lineage	21 September 2026, 06:39 UTC	3b2c019d37205a2005d3597b - 4a696586b15264e9f52caa1a - 276bf31853245342

§ 153A-230.5(a)

If a county is operating a satellite jail/work release unit prior to the enactment of this act, the county may apply to the Office of State Budget and Management for grant funds to recover any verifiable construction or renovation costs for those units and for improvement funds except that the total for reimbursement and improvement shall not exceed seven hundred fifty thousand dollars (\$750,000). Any county accepting such a grant or any other State monies for county satellite jails must agree to all of the basic requirements listed in G.S. 153A-230.2 and G.S. 153A-230.3.

§ 153A-230.5(b)

If a county operates a non-State funded satellite jail/work release unit that does not comply with the basic requirements listed in G.S. 153A-230.2 and G.S. 153A-230.3, then the satellite jail shall be subject to the standards, rules, and regulations to be promulgated by the Secretary of Health and Human Services pursuant to Part 2 of Article 10 of Chapter 153A. If a county is reimbursed for the cost of a prisoner's keep from an inmate's work release earnings in an amount equal to or greater than that paid by the Division of Prisons of the Department of Adult Correction to local confinement facilities under G.S. 148-32.1, the county may not receive additional payments from the Division for the cost of a prisoner's keep. However, if reimbursement to the county for the cost of a prisoner's keep is less than the amount allowed under G.S. 148-32.1, the county may receive from the Division of Prisons of the Department of Adult Correction the difference in the amount received from work release earnings and the amount paid by the Division to local confinement facilities. The Division may promulgate rules regarding such payment arrangements.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
