Any county is authorized to participate in State and federal railroad revitalization programs necessary to insure continued or improved rail service to the county, as are authorized in Article 2D of Chapter 136 of the General Statutes. County participation includes the authority to enter into contracts with the North Carolina Department of Transportation to provide for the nonfederal matching funds for railroad revitalization programs. Such funds may be comprised of State funds distributed to the counties under the provisions of G.S. 136-44.38 and of county funds. County governments are also authorized to levy local property tax for railroad revitalization programs subject to G.S. 153A-149(d). County funds for any project may not exceed ten percent (10%) of total project costs.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
