§ 153A-28(a) The board of commissioners may fix the compensation and allowances of the chair and other members of the board by inclusion of the compensation and allowances in and adoption of the budget ordinance. In addition, if the chair or any other member of the board becomes a full-time county official, pursuant to G.S. 153A-81 or 153A-84, the compensation and allowances may be adjusted at any time during that person's service as a full-time official, for the duration of that service.

§ 153A-28(b) In addition to any other enforcement available, the finance officer of the county shall garnish compensation paid under this section to any chair or other board member to collect any unpaid monies due to the county for county services until such debt is paid in full using the procedure for attachment and garnishment set forth in G.S. 105-368 as if unpaid monies due to the county for county services were delinquent taxes and that finance officer were the tax collector. The provision of G.S. 105-368(a) that limits the amount of compensation that may be garnished to not more than ten percent (10%) for any one pay period shall not apply to this subsection. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
