- § 153A-304.2(a)

When the whole or any portion of a county service district organized for fire protection purposes under G.S. 153A-301(2) has been annexed into a fire protection district created under Chapter 69 of the General Statutes, then such county service district or the portion thereof so annexed shall immediately thereupon cease to be a county service district or a portion of a county service district; and such district or portion thereof so annexed shall no longer be subject to G.S. 153A-307 authorizing the board of county commissioners to levy and collect a tax in such district for the purpose of furnishing fire protection therein.
- § 153A-304.2(b)

This section does not affect the rights or liabilities of the county, a taxpayer, or other person concerning taxes previously levied.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
