A board or boards of county commissioners may by resolution abolish a research and production service district upon finding that (i) a petition requesting abolition, signed by at least fifty percent (50%) of the owners of nonresidential real property in the district who own at least fifty percent (50%) of the total area of nonresidential real property in the district, has been submitted to the board or boards; and (ii) there is no longer a need for such district. In determining the total area of nonresidential real property in the district and the number of owners of nonresidential real property, there shall be excluded (1) real property exempted from taxation and real property classified and excluded from taxation and (2) the owners of such exempted or classified and excluded property. The board or boards shall hold a public hearing before adopting a resolution abolishing a district. Notice of the hearing shall state the date, hour, and place of the hearing, and its subject, and shall be published at least once not less than one week before the date of the hearing. The abolition of any district shall take effect at the end of a fiscal year following passage of the resolution, as determined by the board or boards. If a multi-county district is established, it may be abolished only by concurrent resolution of the board of commissioners of each county in which the district is located.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
