If in the opinion of the board of drainage commissioners it would help the sale of the maintenance or improvement bonds, or they would deem it necessary under the provision of G.S. 156-101, they may, with the approval of the clerk of the superior court, add to the amount estimated by the board of viewers a sufficient amount to pay off all outstanding obligations of the district, leaving this their only bond issue.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
