Any landowner, party petitioner, or the drainage district may, within 10 days after the entry of an order or judgment by the clerk upon the report of the board of viewers, appeal to the superior court in session time or in chambers. The procedures for taking appeal are as provided in Article 27A of Chapter 1 of the General Statutes, except as provided otherwise by this Subchapter. In an appeal to the superior court taken under this section or any other section or provision of the drainage laws of the State, general or local, the appeal has precedence in consideration and trial by the court. If other issues also have precedence in the superior court under existing law, the court, in its discretion, determines the order in which they are heard.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
