The name of such drainage district shall constitute a part of its corporate name; for illustration, the board of drainage commissioners of Mecklenburg Drainage District, No. 1. In the naming of a drainage district the clerk of the court, notwithstanding the name given in the petition, shall so change the name as to make it conform to the county within which the district, or the main portion of the district, is located, and such district shall also be designated by number, the number to indicate the number of districts petitioned for in the county. For illustration, the first district organized in Mecklenburg County would be Mecklenburg County Drainage District, No. 1; the name of the second would be Mecklenburg County Drainage District, No. 2; the fifth one organized would be Mecklenburg County Drainage District, No. 5: Provided, that so much of this section as provides for numbering the districts in each county shall not apply to districts in which bonds have been issued and sold prior to the fifth day of March, 1917.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
