N.C.G.S. § 157-4.2.

SOURCE General Statutes of North Carolina, as published by the General Assembly	LAST AMENDMENT IN THIS TEXT c. 474, s. 29 — second act in the lineage	RETRIEVED 21 September 2026, 03:30 UTC	SOURCE FINGERPRINT 3134578f18c471ce8827f211 - 5efd1a5cfcf53a6198f5ff3a - cd3e1b69006f810d

The council of a city or the board of commissioners of a county may by resolution provide that the budgeting and accounting systems of the city's or county's housing authority (or, if the city's redevelopment commission is exercising the powers, duties, and responsibilities of a housing authority, the budgeting and accounting systems of the redevelopment commission) shall be an integral part of the budgeting and accounting systems of the city or county. If such a resolution is adopted:

For purposes of the Local Government Budget and Fiscal Control Act, the authority (or commission) shall not be considered a "public authority," as that phrase is defined in G.S. 159-7(b), but rather shall be considered a department or agency of the city or county. The operations of the authority (or commission) shall be budgeted and accounted for as if the operations were those of a public enterprise of the city or county.

The budget of the authority (or commission) shall be prepared and submitted in the same manner and according to the same procedures as are the budgets of other departments and agencies of the city or county; and the budget ordinance of the city or county shall provide for the operations of the authority (or commission).

The budget officer and finance officer of the city or county shall administer and control that portion of the city or county budget ordinance relating to the operations of the authority (or commission).

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
