

CHAPTER 157
ARTICLE 4 - NATIONAL DEFENSE HOUSING PROJECTS

N.C.G.S. § 157-52.

Purpose of Article.

SOURCE General Statutes of North Carolina, as published by the General Assembly	LAST AMENDMENT IN THIS TEXT c. 63, s. 1 — first act in the lineage	RETRIEVED 21 September 2026, 02:04 UTC	SOURCE FINGERPRINT 7854e8e14b78fda516993b77 - 77a704c494d9518a7ea818cf - 3267fd70f6218965

It is hereby found and declared that the National Defense Program involves large increases in the military forces and personnel in this State, a great increase in the number of workers in already established manufacturing centers and the bringing of a large number of workers and their families to new centers of defense industries in the State; that there is an acute shortage of safe and sanitary dwellings available to such persons and their families in this State which impedes the National Defense Program; that it is imperative that action be taken immediately to assure the availability of safe and sanitary dwellings for such persons to enable the rapid expansion of national defense activities in this State and to avoid a large labor turnover in defense industries which would seriously hamper their production; that the provisions hereinafter enacted are necessary to assure the availability of safe and sanitary dwellings for persons engaged in national defense activities which otherwise would not be provided at this time, and that such provisions are for the public use and purpose of facilitating the National Defense Program in this State. It is further declared to be the purpose of this Article to authorize housing authorities to do any and all things necessary or desirable to secure the financial aid of the federal government, or to cooperate with or act as agent of the federal government, in the expeditious development and the administration of projects to assure the availability when needed of safe and sanitary dwellings for persons engaged in national defense activities.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
