- § 159-106(a)

After considering an application, the Commission shall enter its order either approving or denying the application. An order approving an issue is not an approval of the legality of the debt instruments in any respect.
- § 159-106(b)

Unless the debt instruments are to be issued for a development financing district for which a project development financing debt instrument issue has already been approved, the day the Commission enters its order approving an application for project development financing debt instruments is also the effective date of the development financing district for which the instruments are to be issued.
- § 159-106(c)

If the Commission enters an order denying the application, the proceedings under this Article are at an end. (2003-403, s. 2.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
