General Statutes of North Carolina, as published by the General Assembly	c. 322, s. 4 — ninth act in the lineage	21 September 2026, 04:03 UTC	dfef9ffd775b9120797e3c97 - d6902667d865673964ae4d07 - 507fb9ce68e83460

The governing board of the issuing unit shall determine the form and manner of execution of the bonds, including any interest coupons to be attached thereto. The board may also provide for the authentication of the bonds by a trustee or fiscal agent. The board may authorize the use of facsimile signatures and seals on the bonds and coupons, if any, but at least one manual signature (which may be the signature of the representative of the Commission to the Commission's certificate) must appear on each bond that is represented by an instrument. Delivery of bonds executed in accordance with the board's determination shall be valid notwithstanding any change in officers or in the seal of the issuing unit occurring after the original execution of the bonds.

Before definitive bonds are prepared, the unit may issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when they have been executed and are available for delivery.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
