Withdrawals from a capital reserve fund may be authorized by resolution or ordinance of the governing board of the local government or public authority. No withdrawal may be authorized for any purpose not specified in the resolution or ordinance establishing the fund or in a resolution or ordinance amending it. The withdrawal resolution or ordinance shall authorize an appropriation from the capital reserve fund to an appropriate appropriation in one of the funds maintained pursuant to G.S. 159-13(a). No withdrawal may be made which would result in an appropriation for purposes for which an adequate balance of eligible moneys or investment securities is not then available in the capital reserve fund.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
