The State and each municipality is hereby authorized to issue its revenue bonds in such principal amount as may be necessary to provide sufficient moneys for the acquisition, construction, reconstruction, extension, betterment, improvement, or payment of the cost of one or more revenue bond projects, including engineering, inspection, legal and financial fees and costs, working capital, interest on the bonds or notes issued in anticipation thereof during construction and, if deemed advisable by the State or a municipality, as the case may be, for a period not exceeding two years after the estimated date of completion of construction, establishment of debt service reserves, and all other expenditures of the State or the municipality, as the case may be, incidental and necessary or convenient thereto.

Subject to agreements with the holders of its revenue bonds, the State or each municipality, as the case may be, may issue further revenue bonds and refund outstanding revenue bonds whether or not they have matured. Revenue bonds may be issued partly for the purpose of refunding outstanding revenue bonds and partly for any other purpose under this Article. Revenue bonds issued to refund outstanding revenue bonds shall be issued under this Article and not Article 4 of this Chapter or any other law.

Refunding bonds may be issued at any time prior to the final maturity of the debt or obligation to be refunded. The proceeds from the sale of any refunding bonds shall be applied only as follows: either, (i) to the immediate payment and retirement of the obligations being refunded or (ii) if not required for the immediate payment of the obligations being refunded such proceeds shall be deposited in trust to provide for the payment and retirement of the obligations being refunded, and to pay any expenses incurred in connection with such refunding, but provision may be made for the pledging and disposition of any amounts in excess of the amounts required for such purposes, including, without limitation, provision for the pledging of any such excess to the payment of the principal of and interest on any issue or series or [of] refunding bonds issued pursuant to G.S. 159-78. Money in any such trust fund may be invested in (i) direct obligations of the United States government, or (ii) obligations the principal of and interest on which are guaranteed by the United States government, or (iii) to the extent then permitted by law in obligations of any agency

or instrumentality of the United States government, (iv) certificates of deposit issued by a bank or trust company located in the State of North Carolina if such certificates shall be secured by a pledge of any of said obligations described in (i), (ii), or (iii) above having any aggregate market value, exclusive of accrued interest, equal at least to the principal amount of the certificates so secured. Nothing herein shall be construed as a limitation on the duration of any deposit in trust for the retirement of obligations being refunded but which shall not have matured and which shall not be presently redeemable or, if presently redeemable, shall not have been called for redemption.

The principal amount of refunding bonds issued pursuant to this section, together with the principal amount of refunding bonds, if any, issued under G.S. 159-78 in conjunction with refunding bonds issued pursuant to this section, shall not exceed the amount set forth in G.S. 159-78.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
