All actions taken by counties, local officials, the Secretary of State, the State Treasurer, and other interested parties to create and organize The North Carolina Industrial Facilities and Pollution Control Financing Authority are ratified and confirmed. All duties, powers, jurisdiction, and responsibilities vested by statute or by contract in the authority are transferred to and vested in the North Carolina Capital Facilities Finance Agency, subject to the provisions of this Article. Upon this transfer, the agency is responsible for all duties and obligations of the authority entered into or incurred, by contract or otherwise, before the transfer. Particularly, the agency is responsible for all matters relating to any outstanding bonds of the authority to the same extent that the authority was responsible for them before the date of transfer. The agency for all purposes assumes the role and is the legal successor of the authority. Upon this transfer, the authority is dissolved. (2000-179, s. 2.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
