§ 15A-1343.3(a)

The Division of Community Supervision and Reentry of the Department of Adult Correction shall establish regulations for continuous alcohol monitoring systems that are authorized for use by the courts as evidence that an offender on probation has abstained from the use of alcohol for a specified period of time. A "continuous alcohol monitoring system" is a device that is worn by a person that can detect, monitor, record, and report the amount of alcohol within the wearer's system over a continuous 24-hour daily basis. The regulations shall include the procedures for supervision of the offender, collection and monitoring of the results, and the transmission of the data to the court for consideration by the court. All courts, including those using continuous alcohol monitoring systems prior to July 4, 2007, shall comply with the regulations established by the Division pursuant to this section.

The Secretary, or the Secretary's designee, shall approve continuous alcohol monitoring systems for use by the courts prior to their use by a court as evidence of alcohol abstinence, or their use as a condition of probation. The Secretary shall not unreasonably withhold approval of a continuous alcohol monitoring system and

shall consult with the Division of Purchase and Contract in the Department of Administration to ensure that potential vendors are not discriminated against.

§ 15A-1343.3(b)

Any fees or costs paid by an offender on probation in order to comply with continuous alcohol monitoring shall be paid directly to the monitoring provider. A monitoring provider shall not terminate the provision of continuous alcohol monitoring for nonpayment of fees unless authorized by the court. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
