Upon a showing that the grounds specified in G.S. 15A-273 exist, the judge may issue an order requiring the person named or described with reasonable certainty in the affidavit to appear at a designated time and place and to submit to designated nontestimonial identification procedures. Unless the nature of the evidence sought makes it likely that delay will adversely affect its probative value, or when it appears likely that the person named in the order may destroy, alter, or modify the evidence sought or may not appear, the order must be served at least 72 hours before the time designated for the nontestimonial identification procedure.

Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

COLOPHON

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
