§ 15A-539(a) A prosecutor may at any time apply to an appropriate district court judge or superior court judge for modification or revocation of an order of release under this Article.

§ 15A-539(b) A district or superior court judge may, upon motion of the State or upon the judge's own motion, and for good cause shown, conduct a hearing into the source of money or property to be posted for any defendant who is about to be released on a secured appearance bond. The court may refuse to accept offered money or property as security for the appearance bond that, because of its source, will not reasonably assure the appearance of the person as required. The State shall have the burden of proving, by a preponderance of the evidence, the facts supporting the court's decision to refuse to accept the offered money or property as security for the bond.

§ 15A-539(c) Nothing in this section shall affect the legal rights of any surety on a bail bond, bonding company, or a professional bondsman.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
