- § 15A-805(a)

Upon motion of the State or any defendant, the judge of a court in which a criminal proceeding is pending must, for good cause shown, enter an order requiring that any person confined in an institution in this State be produced and compelled to attend as a witness in the action or proceeding.
- § 15A-805(b)

If the witness is confined pursuant to another pending criminal proceeding, and the judge determines that the production of the witness would result in an unreasonable interference with the conduct of the prior proceeding, he may deny the order. If an order for production is issued, a judge or justice of the appellate division of the General Court of Justice may, upon application of a defendant or prosecutor in the other district for good cause shown, vacate the order for production.
- § 15A-805(c)

The costs of production of the witness are assessed as are other witness fees.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
