§ 15A-985(a) Definition. - As used in this section, the term "in-custody informant" means a person, other than a codefendant, accomplice, or coconspirator, whose testimony is based on statements allegedly made by the defendant while both the defendant and the informant were held within a city or county jail or a State correctional institution or otherwise confined, where statements relate to offenses that occurred outside of the confinement.

§ 15A-985(b) Recording of In-Custody Informant Interview. - All interviews of in-custody informants by a law enforcement officer shall be recorded using a visual recording device that provides an authentic, accurate, unaltered, and uninterrupted record of the interview that clearly shows both the interviewer and the in-custody informant. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
