General Statutes of North Carolina, as published by the General Assembly	No amendment history on record	21 September 2026, 03:10 UTC	7ea5e9fba0b34d129286435d - b01be93e4275ab4d575992e8 - 746ed51eb1c040f2

§ 160A-23.1(a)

As soon as possible after receipt of federal decennial census information, the council of any city which elects the members of its governing board on a district basis, or where candidates for such office must reside in a district in order to run, shall evaluate the existing district boundaries to determine whether it would be lawful to hold the next election without revising districts to correct population imbalances. If such revision is necessary, the council shall consider whether it will be possible to adopt the changes (and obtain approval from the United States Department of Justice, if necessary) before the third day before opening of the filing period for the municipal election. The council shall take into consideration the time that will be required to afford ample opportunities for public input. If the council determines that it most likely will not be possible to adopt the changes (and obtain federal approval, if necessary) before the third business day before opening of the filing period, and determines further that the population imbalances are so significant that it would not be lawful to hold the next election using the current electoral districts, it may adopt a resolution delaying the election so that it will be held on the timetable provided by subsection (d) of this section. Before adopting such a resolution, the council shall hold a public hearing on it. The notice of public hearing shall summarize the proposed resolution and shall be published at least once in a newspaper of general circulation, not less than seven days before the date fixed for the hearing. Notwithstanding adoption of such a resolution, if the council proceeds to adopt the changes, (and federal approval is obtained, if necessary) by the end of the third business day before the opening of the filing period, the election shall be held on the regular schedule under the revised electoral districts. Any resolution adopted under this subsection, and any changes in

electoral district boundaries made under this section shall be submitted to the United States Department of Justice (if the city is covered under Section 5 of the Voting Rights Act of 1965), the State Board of Elections, and to the board conducting the elections for that city.

§ 160A-23.1(b)

In adopting any revision under this section, if the council determines that in order for the plan to conform to the Voting Rights Act of 1965, the number of district seats needs to be increased or decreased, it may do so by following the procedures set forth in Part 4 of Article 5 of Chapter 160A of the General Statutes, except that the ordinance under G.S. 160A-102 may be adopted at the same meeting as the public hearing, and any referendum on the change under G.S. 160A-103 shall not apply to the municipal election in the two years following a federal decennial census.

§ 160A-23.1(c)

If the resolution provided for in subsection (a) of this section is not adopted and:

- (1) Proposed changes to the electoral districts are not adopted, or
- (2) Such changes are adopted, but approval under the Voting Rights Act of 1965, as amended, is required, and notice of such approval is not received,

by the end of the third business day before the opening of the filing period, the election shall be held on the regular schedule using the current electoral districts.

§ 160A-23.1(d)

If the council adopts the resolution provided for in subsection (a) of this section and does not adopt the changes, or does adopt the changes, but approval under the Voting Rights Act of 1965, as amended, is required, and notice of such approval is not received, by the end of the third day before the opening of the filing period, the municipal election shall be rescheduled as provided in this subsection and current officeholders shall hold over until their successors are elected and qualified. For cities using the:

- (1) Partisan primary and election method under G.S. 163-291, the primary shall be held on the primary election date for county officers in the second year following a federal decennial census, the second primary, if necessary, shall be held on the second primary election date for county officers in that year, and the general election shall be held on the general election date for county officers in that year.
- (2) Nonpartisan primary and election method under G.S. 163-294, the primary shall be held on the primary election date for county officers in the second year following a federal decennial census, and the election shall be held on the date for the second primary for county officers in that year.

- (3) Nonpartisan plurality election method under G.S. 163-292, the election shall be held on the primary election date for county officers in the second year following a federal decennial census.
- (4) Election and runoff method under G.S. 163-293, the election shall be held on the primary election date for county officers in the second year following a federal decennial census, and the runoffs, if necessary, shall be held on the date for the second primary for county officers in that year.

The organizational meeting of the new council may be held at any time after the results of the election have been officially determined and published, but not later than the time and date of the first regular meeting of the council in November of the second year following a federal decennial census, except in the case of partisan municipal elections, when the organizational meeting shall be held not later than the time and date of the first regular meeting of the council in December of the second year following a federal decennial census.

§ 160A-23.1(e)

This section does not apply to any municipality that, under its charter, is not scheduled to hold an election in the year following a federal decennial census. (1989 (Reg. Sess., 1990), c. 1012, s. 2; 1999-227, s. 4; 2000-140, s. 34; 2002-159, s. 52; 2009-414, s. 1; 2017-6, s. 3; 2018-146, ss. 3.1(a), (b), 6.1.)

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
