§ 160A-31.1(a) If the city has annexed under this Part any area which is served by a rural fire department and which is in:

- (1) An insurance district defined under G.S. 153A-233;
- (2) A rural fire protection district under Article 3A of Chapter 69 of the General Statutes; or
- (3) A fire service district under Article 16 of Chapter 153A of the General Statutes,

then beginning with the effective date of annexation the city shall pay annually a proportionate share of any payments due on any debt (including principal and interest) relating to facilities or equipment of the rural fire department, if the debt was existing at the time of submission of the petition for annexation to the city under this Part. The rural fire department shall make available to the city not later than 30 days following a written request from the city, information concerning such debt. The rural fire department forfeits its rights under this section if it fails to make a good faith response within 45 days following receipt of the written request for information from the city, provided that the city's written request so states by specific reference to this section.

§ 160A-31.1(b) The annual payments from the city to the rural fire department on such shared debt service shall be calculated as follows:

- (1) The rural fire department shall certify to the city each year the amount that will be expended for debt service subject to be shared by the city as provided by subsection (a) of this section; and

(2) The amount determined under subdivision (1) of this subsection shall be multiplied by the percentage determined by dividing the assessed valuation of the area of the district annexed by the assessed valuation of the entire district, each such valuation to be fixed as of the date the annexation ordinance becomes effective.

§ 160A-31.1(c) This section does not apply in any year as to any annexed area(s) for which the payment calculated under this section as to all annexation ordinances adopted under this Part by a city during a particular calendar year does not exceed one hundred dollars (\$100.00).

§ 160A-31.1(d) The city and rural fire department shall jointly present a payment schedule to the Local Government Commission for approval and no payment may be made until such schedule is approved. The Local Government Commission shall approve a payment schedule agreed upon between the city and the rural fire department in cases where the assessed valuation of the district may not readily be determined, if there is a reasonable basis for the agreement.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
