- § 160A-496(a)

A city may from time to time require the city attorney to present to the council any local acts relating to the property, affairs, and government of the city and not part of the city's charter which the city attorney recommends be incorporated into the charter. In his recommendations, the city attorney may include suggestions for renumbering or rearranging the provisions of the charter and other local acts, for providing catchlines, and for any other modifications in arrangement or form that do not change the provisions themselves of the charter or local acts and that may be necessary to effect an orderly incorporation of local acts into the charter.
- § 160A-496(b)

After considering the recommendations of the attorney, the council may by ordinance direct the incorporation of any such local acts into the charter. The city clerk shall file a certified true copy of the ordinance with the Secretary of State and with the Legislative Library.
- § 160A-496(c)

For purposes of this section, "charter" means that local act of the General Assembly or action of the Municipal Board of Control incorporating a city or a later local act that includes provisions expressly denominated the city's "charter," plus any other local acts inserted therein pursuant to this section or a comparable provision of a local act.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
