ARTICLE 22 - URBAN REDEVELOPMENT LAW

N.C.G.S. § 160A-516.

SOURCE General Statutes of North Carolina, as published by the General Assembly	LAST AMENDMENT IN THIS TEXT S.L. 2015-264, s. 16(l) — seventh act in the lineage	RETRIEVED 21 September 2026, 05:11 UTC	SOURCE FINGERPRINT d7431c40e31748c1090c88bd - 7c82bf010afdbe4ec13436ea - d088f06094580c41

§ 160A-516(a) The commission shall have power to issue bonds from time to time for any of its corporate purposes including the payment of principal and interest upon any advances for surveys and plans for redevelopment projects. The commission shall also have power to issue refunding bonds for the purpose of paying or retiring or in exchange for bonds previously issued by it. The commission may issue such types of bonds as it may determine, including (without limiting the generality of the foregoing) bonds on which the principal and interest are payable:

- (1) Exclusively from the income, proceeds, and revenues of the redevelopment project financed with the proceeds of such bonds; or
- (2) Exclusively from the income, proceeds, and revenues of any of its redevelopment projects whether or not they are financed in whole or in part with the proceeds of such bonds; provided, that any such bonds may be additionally secured by a pledge of any loan, grant or contributions, or parts thereof, from the federal government or other source, or a mortgage of any redevelopment project or projects of the commission.

§ 160A-516(b) Neither the commissioners of a commission nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance of the bonds. The bonds and other obligations of the commission (and the bonds and obligations shall so state on their face) shall not be a debt of the municipality, the county, or the State and neither the municipality, the county, nor the State shall be liable on the bonds, nor in any event shall the bonds or obligations be payable out of any funds or properties other than those of the commission acquired for the purpose of this Article. The bonds

shall not constitute an indebtedness of the municipality within the meaning of any constitutional or statutory debt limitation or restriction. Bonds of a commission are declared to be issued for an essential public and governmental purpose and to be public instrumentalities. The bonds are exempt from all State, county, and municipal taxation or assessment, direct or indirect, general or special, whether imposed for the purpose of general revenue or otherwise, excluding income taxes on the gain from the transfer of the bonds and notes, and franchise taxes. The interest on the bonds is not subject to taxation as income. Bonds may be issued by a commission under this Article notwithstanding any debt or other limitation prescribed in any statute. This Article without reference to other statutes of the State shall constitute full and complete authority for the authorization and issuance of bonds by the commission under this Article and this authorization and issuance shall not be subject to any conditions, restrictions, or limitations imposed by any other statute whether general, special, or local, except as provided in subsection (d) of this section.

§ 160A-516(c) Bonds of the commission shall be authorized by its resolution and may be issued in one or more series and shall bear such date or dates, be payable upon demand or mature at such time or times, bear interest at such rate or rates, be in such denomination or denominations, be in such form either coupon or registered, carry such conversion or registration privileges, have such rank or priority, be executed in such manner, be payable in such medium of payment, at such place or places, and be subject to such terms of redemption (with or without premium) as such resolution, its trust indenture or mortgage may provide.

§ 160A-516(d) Bonds shall be sold by the redevelopment commission at either public or private sale upon such terms and in such manner, consistent with the provisions hereof, as the redevelopment commission may determine. Prior to the public sale of bonds hereunder, the redevelopment commission shall first cause a notice of the sale of the bonds to be published at least once at least 10 days before the date fixed for the receipt of bids for the bonds (i) in a newspaper having the largest or next largest circulation in the redevelopment commission's area of operation and (ii) in a publication that carries advertisements for the sale of State and municipal bonds published in the City of New York in the State of New York; provided, however, that in its discretion the redevelopment commission may cause any such notice of sale in the New York publication to be published as part of a consolidated notice of sale offering for sale the obligations of other public agencies in addition to the redevelopment commission's bonds, and provided, further, that any bonds may be sold by the redevelopment commission at private sale upon such terms and conditions as are mutually agreed

upon between the commission and the purchaser. No bonds issued pursuant to this Article shall be sold at less than par and accrued interest. The provisions of the Local Government Finance Act shall not be applicable with respect to bonds sold or issued under this Article.

§ 160A-516(e)

In case any of the commissioners or officers of the commission whose signatures appear on any bonds or coupons shall cease to be such commissioners or officers before the delivery of such bonds, such signatures shall, nevertheless, be valid and sufficient for all purposes, the same as if such commissioners or officers had remained in office until such delivery. Any provisions of any law to the contrary notwithstanding, any bonds issued pursuant to this Article shall be fully negotiable.

§ 160A-516(f)

In any suit, action or proceedings involving the validity or enforceability of any bond of the commission or the security therefor, any such bond reciting in substance that it has been issued by the commission to aid in financing a redevelopment project, as herein defined, shall be conclusively deemed to have been issued for such purpose and such project shall be conclusively deemed to have been planned, located and carried out in accordance with the purposes and provisions of this Article.

§ 160A-516(g)

Bonds (including, without limitation, interim and long-term notes) may be issued or sold under this Article at private sale upon such terms and conditions as may be negotiated and mutually agreed upon by the commission and the purchaser (who may be the government or other public or private lender or purchaser).

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
