§ 160A-662(a) A district may be created for one or more entire counties that are totally unserved with natural gas and in which a specific natural gas project has not been approved by the Utilities Commission at the time of creation of the district. A letter from the Utilities Commission to this effect shall conclusively establish that the area is totally unserved and that a project has not been approved. This area is the territorial jurisdiction and the service area of the district.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
