Creation of the district does not affect any existing franchises granted by any unit of local government. Those existing franchises shall continue in full force and effect until legally terminated, and all ordinances and resolutions of the unit of local government regulating local natural gas systems shall continue in full force and effect unless superseded by rules of the district. This superseding, if any, may occur only on the basis of prior mutual agreement between the district and the respective unit of local government. (1997-426, s. 2.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
