- § 160B-4(a)

The governing board, by resolution, may define an urban service district within the boundaries of the largest municipality that existed in the county before consolidation and within the boundaries of any other municipality abolished at the time of the establishment of the consolidated city-county. Notwithstanding the provisions of G.S. 160B-7, the resolution may also define an urban service district to include areas proposed for inclusion in an urban service district and identified in a plan for consolidation prepared by a consolidation study commission pursuant to Article 20 of Chapter 153A of the General Statutes or a plan approved by the General Assembly. Any urban service district so defined shall comprise the total area of the abolished municipality as it existed immediately before the effective date of consolidation. As determined by the governing board, the resolution shall take effect as to the areas included therein either upon its adoption or at the beginning of a fiscal year commencing after its passage.
- § 160B-4(b)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
