General Statutes of North Carolina, as published by the General Assembly	No amendment history on record	21 September 2026, 04:07 UTC	518e8b8d45bd29a1db19481e - dab260e15a85f42f05a736e6 - 5e3c98834fbf7966

Staff members, agents, or contractors responsible for building inspections shall comply with G.S. 160D-109(c). No member of an inspection department shall be financially interested or employed by a business that is financially interested in the furnishing of labor, material, or appliances for the construction, alteration, or maintenance of any building within the local government's planning and development regulation jurisdiction or any part or system thereof, or in the making of plans or specifications therefor, unless he is the owner of the building. No member of an inspection department or other individual or an employee of a company contracting with a local government to conduct building inspections shall engage in any work that is inconsistent with his or her duties or with the interest of the local government, as determined by the local government. The local government must find a conflict of interest if any of the following is the case:

If the individual, company, or employee of a company contracting to perform building inspections for the local government has worked for the owner, developer, contractor, or project manager of the project to be inspected within the last two years.

If the individual, company, or employee of a company contracting to perform building inspections for the local government is closely related to the owner, developer, contractor, or project manager of the project to be inspected.

If the individual, company, or employee of a company contracting to perform building inspections for the local government has a financial or business interest in the project to be inspected.

The provisions of this section do not apply to a firefighter whose primary duties are fire suppression and rescue but who engages in some fire inspection activities as a secondary responsibility of the firefighter's employment as a firefighter, except no firefighter may inspect any work actually done, or materials or appliances supplied, by the firefighter or the firefighter's business within the preceding six years. (2019-111, s. 2.4; 2020-3, s. 4.33(a); 2020-25, s. 51(a), (b), (d).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
