Administrative staff, Code-enforcement officials, or other local government personnel charged with reviewing plans required by this Chapter shall not make administrative decisions on the scope of work covered by architect or engineer seals of designs affixed to work as required by Chapter 83A or Chapter 89C of the General Statutes, the North Carolina State Building Code, or as otherwise required by law. Nothing in this section should be construed to prevent a local government from reviewing plans, drawings, specifications, reports, or other work that requires a seal pursuant to Chapter 83A or Chapter 89C of the General Statutes, the North Carolina State Building Code, or other relevant laws, before an architect or engineer seal is affixed, to ensure compliance with applicable codes, ordinances, or other design standards or requirements. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
