§ 160D-404(c)**Remedies. -**

- (1) Subject to the provisions of the development regulation, any development regulation adopted pursuant to authority conferred by this Chapter may be enforced by any remedy provided by G.S. 160A-175 or G.S. 153A-123. If a building or structure is erected, constructed, reconstructed, altered, repaired, converted, or maintained, or any building, structure, or land is used or developed in violation of this Chapter or of any development regulation or other regulation made under authority of this Chapter, the local government, in addition to other remedies, may institute any appropriate action or proceedings to prevent the unlawful erection, construction, reconstruction, alteration, repair, conversion, maintenance, use, or development; to restrain, correct or abate the violation; to prevent occupancy of the building, structure, or land; or to prevent any illegal act, conduct, business, or use in or about the premises.
- (2) When a development regulation adopted pursuant to authority conferred by this Chapter is to be applied or enforced in any area outside the planning and development regulation jurisdiction of a city as set forth in Article 2 of this Chapter, the city and the property owner shall certify that the application or enforcement of the city development regulation is not under coercion or otherwise based on representation by the city that the city's development approval would be withheld without the application or enforcement of the city development regulation outside the jurisdiction of the city. The certification may be evidenced by a signed statement of the parties on any development approval.

(3) In case any building, structure, site, area, or object designated as a historic landmark or located within a historic district designated pursuant to this Chapter is about to be demolished whether as the result of deliberate neglect or otherwise, materially altered, remodeled, removed, or destroyed, except in compliance with the development regulation or other provisions of this Chapter, the local government, the historic preservation commission, or other party aggrieved by such action may institute any appropriate action or proceedings to prevent such unlawful demolition, destruction, material alteration, remodeling, or removal, to restrain, correct, or abate such violation, or to prevent any illegal act or conduct with respect to such building, structure, site, area, or object. Such remedies shall be in addition to any others authorized by this Chapter for violation of an ordinance. (2019-111, s. 2.4; 2020-3, s. 4.33(a); 2020-25, s. 51(a), (b), (d).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
