- § 160D-405(a)

Appeals. - Except as provided in G.S. 160D-1403.1, appeals of administrative decisions made by the staff under this Chapter shall be made to the board of adjustment unless a different board is provided or authorized otherwise by statute or an ordinance adopted pursuant to this Chapter. If this function of the board of adjustment is assigned to any other board pursuant to G.S. 160D-302(b), that board shall comply with all of the procedures and processes applicable to a board of adjustment hearing appeals. Appeal of a decision made pursuant to an erosion and sedimentation control regulation, a stormwater control regulation, or a provision of the housing code shall not be made to the board of adjustment unless required by a local government ordinance or code provision. Appeals of administrative decisions on subdivision plats shall be made as provided in G.S. 160D-1403.
- § 160D-405(b)

Standing. - Any person who has standing under G.S. 160D-1402(c) or the local government may appeal an administrative decision to the board. An appeal is taken by filing a notice of appeal with the local government clerk or a local government official designated by ordinance. The notice of appeal shall state the grounds for the appeal.
- § 160D-405(c)

Repealed by Session Laws 2020-25, s. 10, effective June 19, 2020.
- § 160D-405(d)

Time to Appeal. - The owner or other party has 30 days from receipt of the written notice of the determination within which to file an appeal. Any other person with standing to appeal has 30 days from receipt from any source of actual or constructive notice of the determination within which to file an appeal. In the absence of evidence to the contrary, notice given pursuant to G.S. 160D-403(b) by first-class mail is deemed

received on the third business day following deposit of the notice for mailing with the United States Postal Service.

§ 160D-405(e) Record of Decision. - The official who made the decision shall transmit to the board all documents and exhibits constituting the record upon which the decision appealed from is taken. The official shall also provide a copy of the record to the appellant and to the owner of the property that is the subject of the appeal if the appellant is not the owner.

§ 160D-405(f) Stays. - An appeal of a notice of violation or other enforcement order to the board of adjustment and any subsequent appeal in accordance with G.S. 160D-1402 stays enforcement of the action appealed from and accrual of any fines assessed during the pendency of the appeal or during the pendency of any civil proceeding authorized by law or related appeal. If, however, the official who made the decision certifies to the board after notice of appeal has been filed that, because of the facts stated in an affidavit, a stay would cause imminent peril to life or property or, because the violation is transitory in nature, a stay would seriously interfere with enforcement of the development regulation, then enforcement proceedings are not stayed except by a restraining order, which may be granted by a court. If enforcement proceedings are not stayed, the appellant may file with the official a request for an expedited hearing of the appeal, and the board shall meet to hear the appeal within 15 days after the request is filed.

Notwithstanding any other provision of this section, appeals of decisions granting a development approval or otherwise affirming that a proposed use of property is consistent with the development regulation does not stay the further review of an application for development approvals to use the property; in these situations, the appellant or local government may request and the board may grant a stay of a final decision of development approval applications, including building permits affected by the issue being appealed.

§ 160D-405(g) Alternative Dispute Resolution. - The parties to an appeal that has been made under this section may agree to mediation or other forms of alternative dispute resolution. The development regulation may set standards and procedures to facilitate and manage voluntary alternative dispute resolution.

§ 160D-405(h)

No Estoppel. - G.S. 160D-1403.2, limiting a local government's use of the defense of estoppel, applies to proceedings under this section. (2019-111, s. 2.4; 2020-3, s. 4.33(a); 2020-25, ss. 10, 50(b), 51(a), (b), (d); 2022-62, s. 59(a).)

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
