- § 162A-85.21(a)

Prior to the time final plans are made for the extension of any water system or sewerage system, the district board shall present preliminary plans for such improvement to the county or municipal governing board for their consideration if such facility is to be located within the jurisdiction of any such county or municipality. The district board shall make every effort to cooperate with the county or municipality in the location and construction of any new proposed facility authorized under this Article.
- § 162A-85.21(b)

Any district board created under the authority of this Article is hereby directed, wherever possible, to coordinate its plans for the construction of any new water system or sewerage system improvements with the overall plans for the development of the planning area if such district is located wholly or in part within a county or municipal planning area.
- § 162A-85.21(c)

This section shall not apply to renovations, repairs, or regular maintenance of water systems or sewer systems. (2013-50, s. 2.)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
