

CHAPTER 162A
ARTICLE 6 - COUNTY WATER AND SEWER DISTRICTS

N.C.G.S. § 162A-87.2.

Abolition of water and sewer districts.

SOURCE General Statutes of North Carolina, as published by the General Assembly	LAST AMENDMENT IN THIS TEXT c. 714, s. 4 — third act in the lineage	RETRIEVED 21 September 2026, 02:52 UTC	SOURCE FINGERPRINT 2477e4af5c3e0fcd705a4d6 - 4974da17eb1aba8b3551e14f - 4fd11b3190057d86

§ 162A-87.2(a) Upon finding that there is no longer a need for a water and sewer district and that there are no outstanding bonds or notes issued to finance projects in the district, the board of commissioners may, by resolution, abolish that district. The board of commissioners shall hold a public hearing before adopting a resolution abolishing a district. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall be published at least once not less than one week before the date of the hearing. The abolition of any water and sewer district shall take effect at the end of a fiscal year following passage of the resolution, as determined by the board of commissioners.

§ 162A-87.2(b) If the:

- (1) Terms of any contract between a county water and sewer district and a city provide that upon certain conditions, all the property of the district is conveyed to that city; and
- (2) District has at the time of abolition no existing bonds or notes issued as authorized by G.S. 162A-90 to finance projects in the district,

then such contract may also provide that no earlier than such conveyance the district may be abolished by action of the governing board of the city. If the district has any other indebtedness, a contract providing for conveyance of all of the assets of a district to a city must provide for assumption of such other indebtedness by the city. If the district is owed any assessments, then the right to collect such assessments becomes that of the city. The governing board of the city shall hold a public hearing before adopting a resolution abolishing a district. Notice of the hearing shall state the date,

hour, and place of the hearing and its subject, and shall be published at least once not less than one week before the date of the hearing. The abolition of any water and sewer district shall take effect at the end of a fiscal year of the district following passage of the resolution, as determined by the governing board. This subsection applies only to a county water and sewer district created under G.S. 162A-86(b1).

§ 162A-87.2(c)

If the:

- (1) Terms of any contract between a county water and sewer district and a private person provide that upon certain conditions, all the property of the district is conveyed to that private person; and
- (2) District has at the time of abolition no existing bonds or notes issued as authorized by G.S. 162A-90 to finance projects in the district,

such contract may also provide that no earlier than such conveyance the district may be abolished by action of the Utilities Commission. If the district has any other indebtedness, a contract providing for conveyance of all of the assets of a district to a private person must provide for assumption of such other indebtedness by the private person. If the district is owed any assessments, then the private person may collect the assessment under the same procedures as if it was the district. The Utilities Commission shall hold a public hearing before adopting a resolution abolishing a district. Notice of the hearing shall state the date, hour, and place of the hearing and its subject, and shall be published at least once not less than one week before the date of the hearing. The abolition of any water and sewer district shall take effect at the end of a fiscal year of the district following passage of the resolution, as determined by the Utilities Commission. This subsection applies only to a county water and sewer district created under G.S. 162A-86(b1).

§ 162A-87.2(d)

Any resolution of abolition adopted under this section on or after the effective date of this section shall be filed with the Secretary of State.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
