A county board of elections by unanimous vote may, upon approval of a request submitted in writing to the State Board of Elections, establish a plan whereby elderly or disabled voters in a precinct may vote at designated sites within the precinct other than the regular voting place for that precinct. Any approval under this section is only effective for one year and shall be annually reviewed for extension. The State Board of Elections shall approve a county board's proposed plan if:

All the satellite voting places to be used are listed in the county's written request;

The plan will in the State Board's judgment overcome a barrier to voting by the elderly or disabled;

Adequate security against fraud is provided for; and

The plan does not unfairly favor or disfavor voters with regard to race or party affiliation. (1991 (Reg. Sess., 1992), c. 1032, s. 10; 2013-381, s. 26.1(a); 2017-6, s. 3; 2018-146, s. 3.1(a), (b).)

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
