The precinct official shall verify that the photograph is that of the person seeking to vote. § 163-166.16(c)

Provisional Ballot Required Without Photo Identification. - If the registered voter cannot produce the identification as required in subsection (a) of this section, the registered voter may cast a provisional ballot that is counted only if the registered voter brings an acceptable form of photograph identification listed in subsection (a) of this section to the county board no later than 12:00 P.M. on the third business day after the

election. The State Board shall provide the registered voter casting a provisional ballot due to failure to provide photo identification an information sheet on the deadline to return to the county board to present photo identification, and what forms of photo identification are acceptable, in order for the voter's provisional ballot to be counted.

§ 163-166.16(d)

Exceptions. - The following exceptions are provided for a registered voter who does not produce an acceptable form of identification as required in subsection (a):

- (1) Religious Objection. - If a registered voter does not produce an acceptable form of photograph identification due to a religious objection to being photographed, the registered voter may complete an affidavit under penalty of perjury at the voting place and affirm that the registered voter: (i) is the same individual who personally appears at the voting place; (ii) will cast the provisional ballot while voting in person; and (iii) has a religious objection to being photographed. Upon completion of the affidavit, the registered voter may cast a provisional ballot.
- (2) Reasonable Impediment. - If a registered voter does not produce an acceptable form of photograph identification because the registered voter suffers from a reasonable impediment that prevents the registered voter from presenting photograph identification, the registered voter may complete an affidavit under the penalty of perjury at the voting place and affirm that the registered voter: (i) is the same individual who personally appears at the voting place; (ii) will cast the provisional ballot while voting in person; and (iii) suffers from a reasonable impediment that prevents the registered voter from presenting photograph identification. The registered voter also shall complete a reasonable impediment declaration form provided in subsection (e) of this section, unless otherwise prohibited by state or federal law. Upon completion of the affidavit, the registered voter may cast a provisional ballot.

- (3) Natural Disaster. - If a registered voter does not produce an acceptable form of photograph identification due to being a victim of a natural disaster occurring within 100 days before election day that resulted in a disaster declaration by the President of the United States or the Governor of this State, the registered voter may complete an affidavit under penalty of perjury at the voting place and affirm that the registered voter: (i) is the same individual who personally appears at the voting place; (ii) will cast the provisional ballot while voting in person; and (iii) was a victim of a natural disaster occurring within 100 days before election day that resulted in a disaster declaration by the President of the United States or the Governor of this State. Upon completion of the affidavit, the registered voter may cast a provisional ballot.

§ 163-166.16(e)

Reasonable Impediment Declaration Form. - The State Board shall adopt a reasonable impediment declaration form that, at a minimum, includes the following as separate boxes that a registered voter may check to identify the registered voter's reasonable impediment:

- (1) Inability to obtain photo identification due to:
- a.Lack of transportation.
 - b.Disability or illness.
 - c.Lack of birth certificate or other underlying documents required.
 - d.Work schedule.
 - e.Family responsibilities.
- (2) Lost or stolen photo identification.
- (3) Photo identification applied for but not yet received by the registered voter voting in person.
- (4) Other reasonable impediment. If the registered voter checks the "other reasonable impediment" box, a further brief written identification of the reasonable impediment shall be required, including the option to indicate that State or federal law prohibits listing the impediment.

§ 163-166.16(f)

County Board Review of Exceptions. - If the county board of elections determines that the registered voter voted a provisional ballot only due to the inability to provide proof of identification and the required affidavit required in subsection (d) of this section is

submitted, the county board of elections shall find that the provisional ballot is valid unless the county board has grounds to believe the affidavit is false.

§ 163-166.16(g) Purpose. - The purpose of the identification required pursuant to subsection (a) of this section is to confirm the person presenting to vote is the registered voter on the voter registration records. Any address listed on the identification is not determinative of a registered voter's residence for the purpose of voting. A registered voter's residence for the purpose of voting is determined pursuant to G.S. 163-57. (2018-144, s. 1.2(a); 2018-146, s. 3.1(a); 2019-22, s. 1; 2020-17, s. 10; 2024-57, s. 3A.4(d).)

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.
