- § 163-166.7(a)

Checking Registration. - A person seeking to vote shall enter the voting enclosure through the appropriate entrance. A precinct official assigned to check registration shall at once ask the voter to state current name and residence address. The voter shall answer by stating current name and residence address and presenting photo identification in accordance with G.S. 163-166.16. In a primary election, that voter shall also be asked to state, and shall state, the political party with which the voter is affiliated or, if unaffiliated, the authorizing party in which the voter wishes to vote. After examination, that official shall state whether that voter is duly registered to vote in that precinct and shall direct that voter to the voting equipment or to the official assigned to distribute official ballots. If a precinct official states that the person is duly registered, the person shall sign the pollbook, other voting record, or voter authorization document in accordance with subsection (c) of this section before voting.
- § 163-166.7(b)

Distribution of Official Ballots. - If the voter is found to be duly registered and has not been successfully challenged, the official assigned to distribute the official ballots shall hand the voter the official ballot that voter is entitled to vote, or that voter shall be directed to the voting equipment that contains the official ballot. No voter in a primary shall be permitted to vote in more than one party's primary. The precinct officials shall provide the voter with any information the voter requests to enable that voter to vote as that voter desires.
- § 163-166.7(c)

The State Board of Elections shall promulgate rules for the process of voting. Those rules shall emphasize the appearance as well as the reality of dignity, good order,

impartiality, and the convenience and privacy of the voter. Those rules, at a minimum, shall include procedures to ensure that all the following occur:

- (1) The voting system remains secure throughout the period voting is being conducted.
- (2) Only properly voted official ballots are introduced into the voting system.
- (3) Except as provided by G.S. 163-166.9, no official ballots leave the voting enclosure during the time voting is being conducted there. The rules shall also provide that during that time no one shall remove from the voting enclosure any paper record or copy of an individually voted ballot or of any other device or item whose removal from the voting enclosure could permit compromise of the integrity of either the machine count or the paper record.
- (4) All improperly voted official ballots are returned to the precinct officials and marked as spoiled.
- (5) Voters leave the voting place promptly after voting.
- (6) Voters not clearly eligible to vote in the precinct but who seek to vote there are given proper assistance in voting a provisional official ballot or guidance to another voting place where they are eligible to vote.
- (7) Information gleaned through the voting process that would be helpful to the accurate maintenance of the voter registration records is recorded and delivered to the county board of elections.
- (8) The registration records are kept secure. The State Board of Elections shall permit the use of electronic registration records in the voting place in lieu of or in addition to a paper pollbook or other registration record.
- (9) Observers are given access as provided by G.S. 163-45.1 to current information about which voters have voted.
- (10) The voter, before voting, shall sign that voter's name on the pollbook, other voting record, or voter authorization document. If the voter is unable to sign, a precinct official shall enter the person's name on the same document before the voter votes. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
