§ 163-82.11(a) Statewide System as Official List. - The State Board of Elections shall develop and implement a statewide computerized voter registration system to facilitate voter registration and to provide a central database containing voter registration information for each county. The system shall serve as the single system for storing and managing the official list of registered voters in the State. The system shall serve as the official voter registration list for the conduct of all elections in the State. The system shall encompass both software development and purchasing of the necessary hardware for the central and distributed-network systems.

§ 163-82.11(b) Uses of Statewide System. - The State Board of Elections shall develop and implement the system so that each county board of elections can do all the following:

§ 163-82.11(c) Compliance With Federal Law. - The State Board of Elections shall update the statewide computerized voter registration list and database to meet the requirements

of section 303(a) of the Help America Vote Act of 2002 and to reflect changes when citizenship rights are restored under G.S. 13-1.

§ 163-82.11(d) Role of County and State Boards of Elections. - Each county board of elections shall be responsible for registering voters within its county according to law. Each county board of elections shall maintain its records by using the statewide computerized voter registration system in accordance with rules promulgated by the State Board of Elections. Each county board of elections shall enter through the computer system all additions, deletions, and changes in its list of registered voters promptly to the statewide computer system.

§ 163-82.11(e) Cooperation on List for Jury Commission. - The State Board of Elections shall assist the Division of Motor Vehicles in providing to the county jury commission of each county, as required by G.S. 20-43.4, a list of all registered voters in the county and all persons in the county with drivers license records. The list of registered voters provided by the State Board of Elections shall not include any registered voter who has been inactive for eight years or more. (1993 (Reg. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
