An individual delivering alcoholic beverages pursuant to a delivery service permit shall not handle or possess funds used to purchase an alcoholic beverage that is to be delivered, but may facilitate the sales transaction in a manner that does not involve taking possession of funds.
- § 18B-1001.4(c)

§ 18B-1001.4(e)

Scope and Construction. - A delivery service permit is not required for a common carrier lawfully transporting or shipping alcoholic beverages. Nothing in this section shall be construed as exempting the delivery of alcoholic beverages pursuant to a delivery service permit from the requirements set forth in Article 4 of Chapter 18B of the General Statutes. Nothing in this section shall be construed to require a technology services company to obtain a delivery service permit if the company does not employ or contract with delivery drivers, but rather provides software or an application that connects consumers and licensed retailers for the delivery of alcoholic beverages from the licensed retailer. Nothing in this section shall be construed to require a retailer that holds a permit issued pursuant to subdivisions (1) through (6), (10), and (16) of G.S. 18B-1001 to obtain a delivery service permit in order for employees of the retail permittee to deliver malt beverages, unfortified wine, or fortified wine to a location designated by the purchaser, however, the other provisions of this section apply to the retailer.

In any case in which there are two or more violations within three years by a delivery service permittee when delivering to a residence hall on the premises of an institution of higher education in which the Commission is entitled to suspend or revoke a permit, the Commission may accept from the permittee an offer in compromise to pay a penalty of not more than ten thousand dollars (\$10,000). The Commission may either accept a compromise or revoke a permit, but not both. The Commission may accept a compromise and suspend the permit in the same case.
