- (2) A permit may be issued to a nonprofit organization to allow the retail sale of malt beverages, unfortified wine, fortified wine, or mixed beverages, or to allow brown-bagging, at a single fund-raising event of that organization. A permit for this purpose shall not be issued for the sale of any kind of alcoholic beverage in a jurisdiction where the sale of that alcoholic beverage is not lawful.
- (3) A permit may be issued to a permittee who is going out of business to authorize the sale or other disposition of his alcoholic beverages stock in a manner that would not otherwise be authorized under his permit.
- (4) A permit may be issued to a collector of wine, decorative decanters of spirituous liquor, or antique spirituous liquor authorizing that person to bring into the State, transport, or possess as a collector, a greater amount of those alcoholic beverages than is otherwise authorized by this Chapter, or to sell those alcoholic beverages in a manner prescribed by the Commission.

The issuance of this permit shall also allow the use for culinary purposes of spirituous liquor lawfully purchased for use in mixed beverages. The issuance of this permit shall also allow a nonprofit organization to offer alcoholic beverages in the manufacturer's original closed container as a prize in a raffle or sell alcoholic beverages in the manufacturer's original closed container at auction at the ticketed event to allow the nonprofit organization to raise funds.
- (6) A permit may be issued to a professional sports organization to allow the retail sale of malt beverages, unfortified wine, fortified wine, or mixed beverages for consumption on the premises at a professional sporting event held at a stadium (i) with a seating capacity of at least 40,000 people and (ii) that is owned or leased by a constituent institution of The University of North Carolina located in a county with a population of at least 900,000 people according to the most recent federal decennial census. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
