The holder of a nonresident wine vendor permit may sell, deliver, and ship unfortified and fortified wine in this State only to wholesalers, importers, and bottlers licensed under this Chapter, as authorized by the ABC laws. The unfortified and fortified wine must come to rest at the licensed premises of a wine wholesaler in this State before being resold to a retailer. A nonresident wine vendor permit may be issued to a winery, a wholesaler, an importer, or a bottler outside North Carolina who desires to sell, deliver, and ship unfortified and fortified wine into this State. The holder of a nonresident wine vendor permit may sell, deliver, and ship into this State only wine for which it is a primary American source of supply. To be considered a primary American source of supply, a nonresident wine vendor must establish that it has lawfully purchased the wine from the winery, or from an agent of the winery, and by written contract or otherwise has been authorized by the winery to distribute the wine to wholesalers in the United States.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
