The Commission shall be exempt from Article 3 of Chapter 143 of the General Statutes but may use the services of the Department of Administration in procuring goods and services for the Commission. However, the Commission shall include in all contracts to be awarded by the Commission under this section a standard clause which provides that the State Auditor and internal auditors of the Commission may audit the records of the contractor during and after the term of the contract to verify accounts and data affecting fees and performance. The Commission shall not award a cost plus percentage of cost contract for any purpose. For purposes of this provision, "cost plus percentage of cost contract" is defined as a contract under which the contractor receives payment for indeterminate costs plus a stated percentage or amount of profit based upon such costs. This provision shall not apply to Commission contracts that require costs to be predetermined and approved by the Commission and a total not to exceed the amount specified in each contract to be paid to the contractor. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
