## § 19A-63(b)

The following definitions apply in this Article:

- (1) Local veterinarian. - A veterinarian licensed by the North Carolina Veterinary Medical Board under Article 11 of Chapter 90 of the General Statutes and practicing within the county where the services are provided. If no licensed veterinarian practices within that county, then a local veterinarian is a licensed veterinarian practicing in a county adjacent to the county where the services are provided. For purposes of this definition, "practicing" means engaging in the practice of veterinary medicine, as defined in Article 11 of Chapter 90 of the General Statutes.
- (2) Low-income person. - An individual who qualifies for one or more of the programs of public assistance administered by the Department of Health and Human Services pursuant to Chapter 108A of the General Statutes or whose annual household income is lower than one hundred percent (100%) of the federal poverty level guidelines published by the United States Department of Health and Human Services.

**§ 19A-63(c)** Each county shall make rules or publish guidelines that designate what proof a low-income person must submit to establish that the person has an annual household income lower than one hundred percent (100%) of the federal poverty level guidelines published by the United States Department of Health and Human Services.

**§ 19A-63(d)** Each county shall provide the opportunity to participate in the program created by this Article to all local veterinarians. Proof of the provision of this opportunity shall be included in the first reimbursement request of each calendar year. ## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
