§ 19A-64(a)

Reimbursable Costs. - Counties and cities eligible for distributions from the Spay/Neuter Account may receive reimbursement for the direct costs of a spay/neuter surgical procedure for a dog or cat owned by a low-income person as defined in G.S. 19A-63(b). Reimbursable costs shall include anesthesia, medication, and veterinary services. Counties and cities shall not be reimbursed for the administrative costs of providing reduced-cost spay/neuter services or capital expenditures for facilities and equipment associated with the provision of such services. The reimbursement amount for each surgical procedure for a female dog or cat shall be no more than one hundred fifty percent (150%) of the average reimbursement allowed for surgical procedures for female dogs and cats by the Spay/Neuter Program during the prior calendar year. The reimbursement amount for each surgical procedure for a male dog or cat shall be no more than one hundred fifty percent (150%) of the average reimbursement allowed for surgical procedures for male dogs and cats by the Spay/Neuter Program during the prior calendar year.

§ 19A-64(b)

Application. - A county or city eligible for reimbursement of spaying and neutering costs from the Spay/Neuter Account shall apply to the Department of Agriculture and Consumer Services by the last day of January, April, July, and October of each year to receive a distribution from the Account for that quarter. The application shall be submitted in the form required by the Department and shall include an itemized listing of the costs for which reimbursement is sought.

§ 19A-64(c)

Distribution. - The Department shall make payments from the Spay/Neuter Account to eligible counties and cities who have made timely application for reimbursement within 30 days of the closing date for receipt of applications for that quarter. In the event that total requests for reimbursement exceed the amounts available in the Spay/neuter Account for distribution, the monies available will be distributed as follows:

- (1) Fifty percent (50%) of the monies available in the Spay/Neuter Account shall be reserved for reimbursement for eligible applicants within development tier one areas as defined in G.S. 143B-437.08. The remaining fifty percent (50%) of the funds shall be used to fund reimbursement requests from eligible applicants in development tier two and three areas as defined in G.S. 143B-437.08.
- (2) Among the eligible counties and cities in development tier one areas, reimbursement shall be made to each eligible county or city in the proportion that the rate of spays and neuters per one thousand persons in that city or county compares to the total rate of spays and neuters per one thousand persons within the total tier one area. Population data shall be obtained from the most recent decennial census.
- (3) Among the eligible counties and cities in development tier two and three areas, reimbursement shall be made to each eligible county or city in the proportion that the rate of spays and neuters per one thousand persons in that city or county compares to the total rate of spays and neuters per one thousand persons within the total tier two and three area. Population data shall be obtained from the most recent decennial census.
- (4) Should funds remain available from the fifty percent (50%) of the Spay/Neuter Account designated for development tier one areas after reimbursement of all claims by eligible applicants in those areas, the remaining funds shall be made available to reimburse eligible applicants in development tier two and three areas. Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
