§ 1C-1856(a) If the court in a proceeding under G.S. 1C-1855 finds that the foreign-country judgment is entitled to recognition under this Article then, to the extent that the foreign-country judgment grants or denies recovery of a sum of money, the foreign-country judgment is:

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
