§ 20-109.2(a1) Surrender When Title Not Available. - If a certificate of title has been issued for a manufactured home, no issued title is available, and the manufactured home qualifies as real property as defined in G.S. 105-273(13), the owner listed on the title shall be deemed to have surrendered the title to the Division if the owner of the real property on which the manufactured home is affixed (i) submits an affidavit to the Division that the manufactured home meets the definition of real property under G.S. 105-273(13) and in compliance with subsection (b) of this section and (ii) submits a tax record showing the manufactured home listed for ad valorem taxes as real property pursuant to Article 17 of Chapter 105 of the General Statutes in the name of the record owner of the real property on which the manufactured home is affixed.

- (6) An affirmative statement that the affiant is (i) the record owner of the real property on which the manufactured home is affixed and the lease for the manufactured home does not include a provision allowing the owner listed on the certificate of title to dispose of the manufactured home prior to the end of the primary term of the lease or (ii) is the owner of the manufactured home and either owns the real property on which the manufactured home is affixed or has entered into a lease with a primary term of at least 20 years for the real property on which the manufactured home is affixed.

§ 20-109.2(c)

Cancellation. - Upon compliance with the procedures in subsection (a) or (a1) of this section for surrender of title, the Division shall rescind and cancel the certificate of title. If a security interest has been recorded on the certificate of title and not released by the secured party, the Division may not cancel the title without written consent from all secured parties. After canceling the title, the Division shall return the original of the affidavit to the affiant, or to the secured party having the first recorded security interest, with the Division's notation or statement that the title has been surrendered and has been cancelled by the Division. The affiant or secured party shall file the affidavit returned by the Division with the office of the register of deeds of the county

where the real property is located. The Division may charge five dollars (\$5.00) for a cancellation of a title under this section.

§ 20-109.2(d) Application for Title After Cancellation. - If the owner of a manufactured home whose certificate of title has been cancelled under this section subsequently seeks to separate the manufactured home from the real property, the owner may apply for a new certificate of title. The owner must submit to the Division an affidavit containing the same information set out in subsection (b) of this section, verification that the manufactured home has been removed from the real property, verification of the identity of the current owner of the real property upon which the manufactured home was located, and written consent of any affected owners of recorded mortgages, deeds of trust, or security interests in the real property where the manufactured home was placed. Upon receipt of this information, together with a title application and required fee, the Division shall issue a new title for the manufactured home in the name of the current owner of the real property upon which the manufactured home was located.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
