§ 20-135(a) It shall be unlawful to operate knowingly, on any public highway or street in this State, any motor vehicle which is registered in the State of North Carolina and which shall have been manufactured or assembled on or after January 1, 1936, unless such motor vehicle be equipped with safety glass wherever glass is used in doors, windows, windshields, wings or partitions; or for a dealer to sell a motor vehicle manufactured or assembled on or after January 1, 1936, for operation upon the said highways or streets unless it be so equipped. § 20-135(b) The term "safety glass" as used in this Article shall be construed as meaning glass so treated or combined with other materials as to reduce, in comparison with ordinary sheet glass or plate glass, the likelihood of injury to persons by glass when the glass is cracked or broken.

§ 20-135(c) The Division of Motor Vehicles shall approve and maintain a list of the approved types of glass, conforming to the specifications and requirements for safety glass as set forth in this Article, and in accordance with standards recognized by the United States Bureau of Standards, and shall not issue a license for or relicense any motor vehicle subject to the provisions of this Article unless such motor vehicle be equipped as herein provided with such approved type of glass.

Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
