A motor vehicle dealer, as defined in G.S. 20-286(11), and the dealer's owners, shareholders, officers, employees, and agents who, in conjunction with the actual or potential sale or lease of a motor vehicle, arrange to provide, provide, or otherwise make available to a vehicle purchaser, lessee, or other person any third-party motor vehicle history report, shall not be liable to the vehicle purchaser, lessee, or other person for any errors, omissions, or other inaccuracies contained in the third-party motor vehicle history report that are not based on information provided directly to the preparer of the third-party motor vehicle history report by that dealer. For purposes of this section, a "third-party motor vehicle history report" means any information prepared by a party other than the dealer, relating to any one or more of the following: vehicle ownership or titling history; liens on the vehicle; vehicle service, maintenance, or repair history; vehicle condition; or vehicle accident or collision history. Pinpoint keys are set in the left margin of the text rather than line numbers: subsection designators are stable across editions and paper sizes, line numbers are not.

## COLOPHON

## Provenance

This document reproduces the text of one section of the General Statutes of North Carolina from a source file whose SHA-256 digest is printed on every page. The digest fixes the bytes this export was made from; if the State's file changes, the digest will not match.

The text of the section is unaltered. Subsection designators have been moved from the run of text into the margin. The amendment history and the table of authorities are derived from the section by mechanical extraction — they add no characterization of the law.

This is not the official text. The official text is published by the General Assembly of North Carolina.
